Re: CCIU Third Party Driver's License Skills Testing Services Application

Dear Ms. Zeiders -

We write to offer our enthusiastic support for the recent application submitted by the Chester County Intermediate Unit to operate two Third Party Non-Commercial Driver's License Skills Testing Centers in Chester County.

The Chester County Intermediate Unit provides a variety of educational services, including driver training. Their strong reputation and commitment to excellence is an asset to our community.

We regularly receive phone calls from constituents who are experiencing trouble obtaining an appointment for a driver's license test at existing PennDOT facilities. Appointments are often unavailable for weeks or months. The addition of these Testing Centers in central and southern Chester County will provide greater access to driver's license testing services for the residents of our area, and help to meet existing and future demand for these vital services.

Thank you for the opportunity to comment on the CCIU's application, and thank you for your continued service to the Commonwealth of Pennsylvania.

Kind Regards,
