The Honorable John A. Lawrence  
Commonwealth of Pennsylvania  
House of Representatives  
PO Box 202013  
Harrisburg, PA 17120-2013

Dear Representative Lawrence,

Thank you for your continued interest in the Pennsylvania over-order premium and the Milk Marketing Law. We appreciate your continuing efforts.

We are working on gathering and compiling the information you requested on May 6, 2013, and will forward that information as soon as possible.

Unfortunately, we will be unable to provide any information regarding retail-level transactions because that information is not reported to us. The Board believes having the retail-level data would enhance enforcement of the Law and we have suggested language to be included in recent proposed amendments to the Milk Marketing Law that would provide the Board the authority to gather such information. As you know, none of those amendments have been enacted.

Once again, thank you for your continuing efforts on behalf of the Pennsylvania dairy industry. We will forward the information we have in short order.

Sincerely,

A handwritten signature in cursive script that reads "Luke F. Brubaker".
