Oxford Area School District
Board of School Directors
Dr. Jason Brady, President
125 Bell Tower Lane
Oxford, PA 19363

April 29, 2013

Dear President Brady,

I trust you are well.

Recently, I received several letters from concerned individuals regarding the placement of flashing school safety lights on Wickersham Road. As you are aware, often these flashing lights are placed within designated school zones in an effort to slow traffic and increase safety for students.

After contacting the Pennsylvania Department of Transportation, I was advised that generally requests for new safety lights come from the school district. As such, I wanted to pass along this concern for your review and attention.

Recognizing that both the state and the school district face serious financial challenges, I am well aware that there is an associated cost with the installation and continued maintenance of such lights. If the District decides to pursue the installation of lights, please advise my office so that I can work with any possible source for potential grants to help defray the cost of installation.

I appreciate your continued service to the people of the Oxford Area School District. Please do not hesitate to contact me if I can be of assistance.

Kind Regards,

A handwritten signature in blue ink, appearing to read "John Lawrence".
