Dear Secretary Numeross -

I write concerning recent news reports surrounding the employment status of former Sec. Ron Tomalis. As you are aware, numerous sources have produced stories that at the very least raise serious questions about Mr. Tomalis' work responsibilities. Recognizing that not everything that appears in print is true, I am contacting you directly in the hope that you can provide additional insight, clarity, and data as to the work performed by Mr. Tomalis over the past few months. In particular, I am interested in specific projects or tasks spearheaded by Mr. Tomalis, policy development, advocacy, training / mentoring,
